RE: 17-FOIA-015 Railroad / Highway Signs

Dear Mr. Stukel:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On January 17, 2017, we received your request for information from the past 2 contracts for railroad and highway signs and related items. In addition, you requested any other information that pertains to this contract (“**Request**”). That same day, you modified your Request in order expedite processing, to the past pay items cost information only. I spoke with you by phone on January 17, to clarify your Request, and you stated you would like the price lists from the previous two contracts regarding railroad/highway signs and related items.

In response to your Request, Metra’s Procurement Department is providing you with the price list of signs and related items from the 2012 blanket purchase order issued to Production Distribution Co. for railroad/highway signs and the bid tabulation sheet from IFB #09166. After performing a diligent search of Metra’s records, we have been unable to locate any records responsive to your Request for price lists from the previous two contracts. Our Procurement Department advises 2012 as the first blanket purchase order for railroad/highway signs. As such, there are no previous blanket purchase orders prior to 2012.

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,

Kathleen E. Haton
