Hi,

I am requesting fare information for the periods Jan 1, 2012 through December 31, 2014. Specifically, I'd like the monthly pass rates for zone A to E (Glen Ellyn to Chicago OTC).

Since your representative sent me to the "FOYA" department, I suppose that the document(s) that I am requesting is the UP West line Elburn to Chicago fare and schedule brochure that was in effect on Jan 1, 2012 and each revision after that date.

An email with the rates & date changed will be acceptable. An email with the brochures would also be acceptable. A fax of the information is also acceptable. If any of the above methods are used, no documents are needed.

If the information needs to be mailed, please use the following address:

Thanks for your help.
