RE: 19-FOIA-071 Info - Locomotives and Rolling Stock

Dear Mr. McCarthy:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On March 14, 2019, we received your request for any and all details regarding the locomotives and rolling stock operating in the system and their assigned lines (“**Request**”).

In response to your Request, Metra’s Mechanical Department is providing you with a roster containing the asset number, description, district assigned, and the type of stock. Metra’s Mechanical Department advises that assets are assigned to a district and not a line per se. As such, asset distribution may vary according to the operational needs of service.

If we can be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Kathleen E. Haton
